Spanish Language (Semester 1 and 2)	●					●

\*New or Updated courses

CTE (Career & Technical Education) courses are in line with ISBE College & Career Readiness matrices.

## IVS courses are...

- designed for rigor to adequately prepare students for college and career.
- standards based to meet all State, NCAA, College Board and other relevant requirements.
- reviewed on an ongoing basis against standards and student performance data
- revised and redeveloped as needed to ensure quality.
- multimodal and built for multiple learning styles.
- compatible with mastery based learning requirements.
- designed to foster active learning through interactives, games, collaboration opportunities and real world application.
- flexible in design to accommodate individual student needs.
- comprehensive enough to provide a complete program of study.
- in tune with digital native students looking for individualized, engaging, empowering learning.
